Democratizing Proof of Existence

Do you know your great-grandparents' face and voice?

You become a story, generations connect in dialogue, the path forward.

Three-layer distributed storage carries voice, portrait, and text 1,000 years into the future.

- A letter's worth of feeling in a single QR code (~2,000 characters)
- Bulk Mode — split across multiple QR codes for high-quality audio with no time limit, images with no resolution limit, and unlimited text. Self-printable
- No service shutdown risk — plays on any smartphone, anytime, anywhere
