

# TokiStorage Wedding

For Venue Partners — Interactive Performances × Everlasting Keepsakes

## Make your ceremonies unforgettable with “takeable experiences.”

Interactive performances × voice QR keepsakes—experience value no other venue can offer

The emotional moments created by interactive performances are preserved forever as voice QR keepsakes. A new option to offer your couples.

Stand out as “the venue where experiences go home.” Produce keepsakes with your own equipment for direct revenue. TokiQR runs server-free, offline, and virtually forever. Try it here.

### Performances We Offer

#### Candle Ceremony

Guests and the couple join hands; a micro-current lights the central lamp—a shared vow of light

#### Pulse Visualization

The couple's heartbeats rendered as real-time visuals—see the pulse of the vow

#### LED Performance

Alcohol-sensing LEDs shift from blue to red—a colorful toast moment

### Voice QR Keepsakes—Mementos That Preserve Voice

- **Digital QR (Free)** — Encode voice, images, and text into a QR with just a smartphone. Also works for guest-participation activities
- **UV Laminate (¥5,000)** — Producible with a printer, laminator, and A4 paper. A same-day keepsake made with your own equipment
- **Quartz Glass Plate (¥50,000)** — High-durability, premium keepsake shipped after the event. For the couple and their parents

### Performances × Keepsakes—Ceremony Scenes

**Vow Keepsake** The vow audio from the candle ceremony, UV laminated. A special keepsake for the couple and both families

**Pulse Memory** The heartbeat waveform at the moment of the vow, recorded as a QR image. A visual keepsake of the heart

**Bride's Letter** Her voice reading the letter, captured in a voice QR. Gratitude to her parents, replayable anytime

### Revenue Model

- **Franchise Model** — Your venue produces and sells UV laminates. Option pricing flows directly to your revenue
- **Low Operating Cost** — Running costs are consumables only: A4 paper and UV film
- **Revenue Share** — Per-event license fee. Initial cost is equipment setup and training only

### Getting Started

**Contact Us** Reach out by email for a demo or any questions

**Plan Proposal** We tailor a deployment plan to your equipment and needs

**Setup & Training** Equipment setup and production manual provided. Ready to operate from day one

**Start Offering** Add it to your couples' plans and start generating revenue

Scan the QR codes below with your phone.  
This is what guests take home—a “voice keepsake.”

### Co-Creation in Weddings

The story of a wedding collaboration that started at a takoyaki party.

### The Bride's Letter

A story of a letter read aloud, inscribed in QR, and delivered to her parents.
