

# TokiStorage

Voice Preservation for 1,000 Years

## Democratizing Proof of Existence

Can you name your great-grandparents?

Only a handful make it into history. Ordinary people are forgotten in three generations.

Three-layer distributed storage carries your voice and memory 1,000 years into the future.

### Three-Layer Distributed Storage

#### Physical

**Quartz Glass & Laminate**

1,000-year durability

Delivered to you

#### National
