

Make your ceremonies unforgettable with “takeable experiences.”

Interactive performances × voice QR keepsakes—experience value no other venue can offer

The emotional moments created by interactive performances are preserved forever as voice QR keepsakes. A new option to offer your couples.

“The venue where experiences go home.” Produce keepsakes on-site for direct revenue. Server-free QR with three-layer preservation (GitHub + National Diet Library)—built for 1,000 years.

Performances

Candle Ceremony

Join hands, light the lamp with a micro-current—a shared vow of light

Pulse Visualization

The couple's heartbeats rendered as real-time visuals—the pulse of the vow

LED Performance

Alcohol-sensing LEDs shift from blue to red—a colorful toast moment

Voice QR Keepsakes

- **Digital QR (Free)** — Encode voice, images, and text into a QR with just a smartphone
- **UV Laminate (¥5,000)** — Producible with a printer, laminator, and A4 paper. A same-day keepsake from your own equipment
- **Quartz Glass Plate (¥50,000)** — High-durability, premium keepsake shipped after the event

Ceremony Scenes

- Vow Keepsake** Vow audio from the candle ceremony, UV laminated as a keepsake
- Pulse Memory** Heartbeat waveform at the moment of the vow, recorded as a QR image
- Bride's Letter** Her voice reading the letter, captured in a voice QR. Replayable anytime

Revenue Model

- **UV Laminate (Your Venue Produces)** — 90% of revenue is yours. Running costs are consumables only (10% if HQ produces)
- **Quartz Glass Plate (HQ Produces)** — 10% referral fee to your venue. Production and shipping handled by HQ
- **Performance Kits** — Equipment provided at cost. Your venue sets the pricing freely
- **No License or Monthly Fees** — Only initial equipment cost to start

Getting Started
