

Voice Preservation for 1,000 Years

National Diet Library Archived / Ise Grand Shrine Patronage / Enryaku-ji Temple Patronage

## Democratizing Proof of Existence

Do you know your great-grandparents' face and voice?

Only a handful make it into history. Ordinary people are forgotten in three generations.

Three-layer distributed storage carries voice, portrait, and text 1,000 years into the future.

### TokiQR — Voice, Portrait & Text in a QR Code

- Just scan and hear their voice — warmth, tone, personality intact (up to 30 sec)
- See their face — recognizable portrait quality that lasts 1,000 years
- A letter's worth of feeling in a single QR code (~2,000 characters)
- No service shutdown risk — plays on any smartphone, anytime, anywhere
- Deploy from a single QR sticker — print-ready, integration-friendly, for tourism, venues & events
- Place a QR, earn 10% of every order — free Wise account needed to receive
