TokiStorage

Voice Preservation for 1,000 Years

Democratizing Proof of Existence

Can you name your great-grandparents?

Only a handful make it into history. Ordinary people are forgotten in three generations.
Three-layer distributed storage carries your voice and memory 1,000 years into the future.

Three-Layer Distributed Storage

Physical	National	Private
Quartz Glass & Laminate	**National Diet Library**	**GitHub Arctic Code Vault**
1,000-year durability Delivered to you	Permanent preservation under Japanese law	Global distribution + Arctic archive
